Intro: [ch]Dm[/ch]

[ch]Dm[/ch]
Drivin' up the coast
To find a version of the truth
[ch]Dm[/ch]
Left the backdoor swinging
Like a dirty little sleuth
[ch]C[/ch] [ch]Bb[/ch]
The truth is I have never
[ch]Am[/ch]
Felt half this alive
[ch]C[/ch]
Now it's time to dance [ch]Dm[/ch]
Upon the grave called 45

[ch]Dm[/ch]
Jacked up on some Kerouac
And surely bullet proof
[ch]Dm[/ch]
The girl who taught me what to do
Was missing her front tooth
[ch]C[/ch] [ch]Bb[/ch]
Gentle as a storm
[ch]Am[/ch]
Inside your mental health
[ch]C[/ch]
I wanna find the answer [ch]Dm[/ch]
But I just can't find myself

[ch]Dm[/ch]
I say so long
[ch]C[/ch]
To the way I played
[ch]C[/ch]
The way I played
[ch]G[/ch]
Inside of yesterday
[ch]Dm[/ch] [ch]C[/ch]
Hey let's run around
[ch]C[/ch]
The great escape
[ch]G[/ch] [ch]Dm[/ch]
From out of my hometown

[ch]Dm[/ch]
Later I would look for love
Inside a woman's dorm
[ch]Dm[/ch]
A couch to keep me humble
And her breath to keep me warm
[ch]C[/ch] [ch]Bb[/ch]
Ophelia was the girl
[ch]Am[/ch]
That I was feeling for
[ch]C[/ch]
Come to realize [ch]Dm[/ch]
It was me who was the whore

[ch]Dm[/ch]
A captain lost himself
Inside a 40 year old skull
[ch]Dm[/ch]
The drink of choice was knowledge
And we always wanted more
[ch]C[/ch]
Drunken sailors
[ch]Bb[/ch] [ch]Am[/ch]
Seeking their Geronimo
[ch]C[/ch]
Instead they found the things [ch]Dm[/ch]

That they really didn't wanna know

[ch]Dm[/ch]
I say so long
[ch]C[/ch]
To the way I played
[ch]C[/ch]
The way I played
[ch]G[/ch]
Inside of yesterday
[ch]Dm[/ch] [ch]C[/ch]
Hey let's run around
[ch]C[/ch]
The great escape
[ch]G[/ch]
From out of my hometown

[ch]Dm[/ch]
Country roads
[ch]C[/ch]
Would never let me stay
[ch]C[/ch]
The way I played
[ch]G[/ch] [ch]A[/ch]*
Inside of yesterday

- Bridge-thingy (No acoustic guitar) -

[ch]Dm[/ch]
A devil's growl and cat's meow
Were blended into one
[ch]Dm[/ch]
Termites called suburbanites
Were eating all the fun
[ch]C[/ch] [ch]Bb[/ch]
A juggernaut of comedy
[ch]Am[/ch]
And blasphemy
[ch]C[/ch]
I wanna stop the madness
[ch]Dm[/ch]
But I think it has to be

[ch]Dm[/ch]
I say so long
[ch]C[/ch]
To the way I played
[ch]C[/ch]
The way I played
[ch]G[/ch]
Inside of yesterday
[ch]Dm[/ch] [ch]C[/ch]
Hey let's run around
[ch]C[/ch]
The great escape
[ch]G[/ch]
From out of my hometown

[ch]Dm[/ch]
Country roads
[ch]C[/ch]
Would never let me stay
[ch]C[/ch]
The way I played
[ch]G[/ch]
Inside of yesterday
[ch]Dm[/ch] [ch]C[/ch]
Hey let's run around
[ch]C[/ch]
The great escape
[ch]G[/ch] [ch]Dm[/ch]
From out of my hometown

Outro is repeating Dm again.
