

I've got myself  
In a masochestic hold  
Why don't you let go  
Shake it off but  
Just to redirect my flow  
Come on let's go

Sit up straight  
I'm on a double date  
I've got to find my way  
Into the light, heavy, middle weight  
We don't stop for rock around the clock  
Motor mouthing off  
In front of every other road block

Come again and tell me  
What you're going through  
Like a girl who only knew  
Her child was due

Memories of everything  
On lemon trees on Mercury and  
Come to me with remedies  
From five or six of seven seas and  
You always took me with a smile  
When I was down  
Memories of everything  
That blew through

Looking up into  
A reverse vertigo  
What an undertow  
Give it up  
Another stubborn Scorpio  
Come on, let's go

Sit up straight  
I'm on a double date  
I've gotta find my way  
Into the light, heavy, middle weight  
We don't stop for rock around the clock  
Motor mouthing off  
In front of every other road block

Come again and tell me  
What you're going through  
Like a girl who only knew  
Her child was due  
To the moon she gave another good review  
turn around and look at me  
it's really really you

Memories of everything  
On lemon trees on Mercury and  
Come to me with remedies  
From five or six of seven seas and

You always told me to smile  
When I was down  
Memories of everything  
That blew through

Sit up straight  
I'm on a double date  
I've gotta find my way  
Into the light, heavy, middle weight  
We don't stop for rock around the clock  
Motor mouthing off  
In front of every other road block

(2x)  
Memories of everything  
On lemon trees on Mercury and  
Come to me with remedies  
From five or six of seven seas and  
You always took me with a smile  
When I was down  
Memories of everything  
That blew through
