Tabbed By : Dan Guthrie  
e-mail: philliphanatic@yahoo.com

Tuning:Standard (EADG)

(slowly crescendo until the lyrics begin)

```
G|-----|
D|-----|
A|-7777777777777777--5--6---|
E|-----|
```

```
G|-----|      G|-----|      (last note before
D|-----|      D|-----|      the acoustic part)
A|-----|      A|-----|
E|-88888888888888--55555555555555-|      E|--0-----|
```

repeat those two lines until the acoustic guitar part

rest a few bars when the acoustic guitar comes in, then play this part 3X

```
G|-----|
D|-----|-----5/12-12-12-12-12-12--|
A|--7-77-----7-77-----7-77-----|
E|-----8-7-5-----8-7-5-----8-7-5--5555555555-----|
```

Then play this part once

```
G|-----|
D|-----|
A|--7-77-----7-77-----7-77-----|
E|-----8-7-5-----8-7-5-----8-7-5--5555555555-----|
```

Then repeat this part until the end of the song

```
G|-----|
D|--777777777--555555555--333333333-----5/12-12-12-12-12--|
A|-----33333333--555555555-----|
E|-----|
```

On the last one don't slide from 5 to 12 on the D string, just end on the 5 on the A string.

Great song off By The Way...the tab should be %100 accurate, if you find any corrections, please email me, because that means i've been playing it wrong.
