Artist: Red Hot Chili Peppers

Song: Dont Forget Me

[Verse]

```
Am          F
I'm an ocean in your bedroom
C          G
Make you feel warm, make you wanna re-assume
Am          F          C          G
Now we know it all for sure.

Am          F
I'm a dancehall, dirty breakbeat
C          G
make the snow fall up from underneath your feet.
Am          F          C          G
Not alone, I'll be there, tell me when you wanna go!
```

[Instrumental]

```
Am          F          C          G
```

[Verse]

```
Am          F
I'm a meth lab, first rehab
C          G
Take it all off and step inside the running cab
Am          F          C          G
There's a love that knows the way

Am          F
I'm the rainbow in your jail cell
C          G
All the memories of everything you've ever smelled.
Am          F          C          G
Not alone, I'll be there, tell me when you wanna go!
```

[Chorus]

```
Am          F
Sideways falling, more will be revealed my friend
C          G
Don't forget me, I can't hide it
Am          F          C          G
Come again get reignited.
```

[Instrumental]

```
Am          F          C          G
```

[Verse]

```
Am          F
I'm an inbred and a pothead
C          G
Two legs that you spread inside a tool shed
```

Am **F** **C** **G**
Now we know it all for sure.

Am **F**
I could show you to the free field
C **G**
Overcome and more will always be revealed
 Am **F** **C** **G**
Not alone, I'll be there, tell me when you wanna go!

[Chorus]

Am **F**
Sideways falling, more will be revealed my friend

C **G**
Don't forget me, I can't hide it
Am **F** **C** **G**
Come again get reignited.

[Verse]

Am **F**
I'm the bloodstain on your shirtsleeve
C **G**
Coming down and more are coming to believe.
 Am **F** **C** **G**
Now we know it all for sure.
Am **F**
Make the hair stand up on your arm
C **G**
Teach you how to dance inside the funny farm
 Am **F** **C** **G**
Not alone, I'll be there, tell me when you wanna go.
