I know i'm gonna get some flack for putting up chords here, i know the song is mostly picked, but this i guess could be used to get people playing along to the cd if they wanted or whatever. Chord positions are at the bottom.

Closer than most to you
C          D          Em
What am I supposed to do
C          D          Em
Take it away I never had it anyway
C          D          Em
Take it away everything will be okay

```

```

C          D          Em

```

[Verse]

```

G **D** **Em/G (i think) ----- C2**
 All I ever wanted was your life

[Verse] (it sounds good doing the picked part [from the beginning] here during this verse)

C **D** **Em**
 I--- got dosed by you
C **D** **Em**
 Closer than most to you
C **D** **Em**
 What am I supposed to do

(resume chords if you want, this is when the drums start again and we get background vocals, Flea resumes the normal bass line)

G **D** **Em**
 Take it away I never had it anyways
G **D** **Em**
 Take it away and everything will be okay

[Chorus]

G **D** **Em C**
 Way up on the mountain where she died
G **D** **Em C**
 All I ever wanted was your life
G **D** **Em C**
 Deep inside the canyon I can't hide
G **D** **Em/G (i think) ----- C2**
 All I ever wanted was your life

[Solo] - either verse chords or picked part will work here

Last 4 chords of song-

C Em/G Am G

Chords:
 C-x32010
 D-x00232
 Em-022000
 G-320003
 Em/G-322000
 Am-002210

That's it. I think you'll find this one a bit more accurate than the other chorded version here, however, i'm not sure which exact chord it is where i have 'Em/G' written. I just put what i thought sounded alright there. If you do

know, please post it in the comments part. Or... let me know what you think...
