[Verse]

[ch]Cm[/ch]
I called the teacher cause I wanted to confess it now
[ch]Fm[/ch]
Can I make the time for me to come and get it blessed somehow
[ch]Cm[/ch]

[ch]Fm[/ch]
Her sweet admission left me feeling in position from

I don't take these things so personal
[ch]Ab[/ch]
Anymore, anymore
[ch]Bb[/ch]
I don't think it's irreversible
[ch]Ab[/ch]
Anymore
[ch]Cm[/ch]
Somebody hooted and they hollered can I buy a vowel
[ch]Fm[/ch]
Don't let her catch you in the act of throwing in the towel
[ch]Cm[/ch]
And when it's not as it appears to be, the flagrant foul

Metallidethca: Just does not sound right ok ok ok ok ok ok ok ok ok ship flag unicorn pizza globe horn ranarr

no_robot: Way I play it: Capo on 1, play the Cm as Bm*
Then the chords become (relative to the capo) [Verse] Bm* Em [Pre-chorus] A G [Chorus] Em G D A; Em G D C

Sorry, should have clarified - Bm* here means x2023x (lowE -> highE)
