[VERSE]

Dm C Bb Bb
It's such a waste to be wasted in the first place
Dm C Bb Bb
I want to taste the taste of being face to face with common grace
Dm C Bb Bb
To meditate on the warmest dream
Dm C Bb Bb
And when I walk alone I listen to our secret theme

[CHORUS]

Dm
You solar eyes are like
Am
Nothing I have ever seen
Dm
Somebody close
Am
That can see right through
Dm
I'd take a fall and you know
Am
That I'd do anything
C Am
I will for you.

LAST 3 COMMENTS

show.off: I think, chords should be placed like this, or somehow that looks like this
(Dm)Close (C)to my (Bb)skin
I'm falling (Dm)in
Some(C)one who's (Bb)been

show.off: damn, I can't write it right in the comment because of format system, sorry

florianbingold: I have the feeling the chords should come twice as often.
for example:
close to my skin i'm falling 1x Dm C Bb Bb
In someone who's been 1x Dm C Bb Bb

Otherwise, the tab sounds great and the lyrics are correct, so thanks for the original tabbing
