G C F G

[Verse 1]

Am **D**
Suicide a month before I met you
C **F**
Deep regrets, I never could forget you
G **C**
Somehow you made your way to my decade
F **G**
Ayo ayo ayo ayo, my girl

Am **D**
In the sun, I see you with your guard down

Number one, you're moving to a hard town
G **C**
Do not dismiss the promise that you made me
F **G**
Ayo ayo ayo ayo, my time

Am **D**
Overkill you took another red pill
C **F**
On the sheet is everything that you spilled
G **C**
We are the ones you want to know right now
F **G**
Ayo ayo ayo ayo, black light

Am **D**
Come again to murder your report card
C **F**
Just a friend to kiss you in the court yard
G **C**
You are the one I want to be stuck with
F **G**
Ayo ayo ayo ayo, big fight

[Pre-Chorus]

Death was made to fail

[Verse 2]

Am **D**
Sticky fingers find the way to take her
C **F**
Crumple up another piece of paper
G **C**
I know your days are numbered when it comes to
F **G**
Ayo ayo ayo ayo, this life

Am **D**
Slip away into the solar system
C **F**
Straighter rays, you find a way to twist them
G **C**
Some like it dark and now I know where to
F **G**
Ayo ayo ayo, find you

Am **D**
Serpentine, I think she was an Aussie
C **F**
Bloody hell, a common kamikaze
G **C**
Give up the ghost before you go under
F **G**
Ayo ayo ayo, wonder

Am **D**
Kicking hard and looking for a rescue
C **F**
Watch me starve was never to impress you
G **C**
I would have killed the part of me to have you
F **G**
Ayo ayo ayo, story

[Chorus]

Am **C**
Say goodbye my love
F
I can see it in your soul
Am **C**
Say goodbye my love
F
Thought that I could make you whole

Let your lover sail
