Rain on my frustration

Wash me down my station

Make more rain forsaken

In between the sky and every piece of the earth  
Em  
(1,2,3 lets break this)

Runnin' through the mud I gotta a feeling of worth  
Em  
(1,2,3 forsake this)

Right as rain at the animal bar

Raindrops will fall from the sky

Stealing their shape from your eye

Now we can all get some sleep  
Bm A G D  
The water, the water, the water saving us from the heat  
Bm A G D  
Some things will die in their place

Others will leave little trace  
Bm A G D  
Fire will come find its day  
Bm A G D  
The water, the water, the water washing it all away
