Song:
(Play main riff throughout verses)

This is the kitt I can't compare
A delicate new arrival
Check the commute I do declare
Let's sing a new revival

Chemical circus at the pub
Mentally she's preparted
Cut me a check I'll cut your rug
Later we'll get bombarded

Chorus:

```
          A
'Cause everybody knows
          C#7
The game is full of highs and lows
          D
Like your mother said
          F
Girl, your father is dead
          A
Everybody knows
          C#7
That life is full of highs and lows
          D
Is there always red
          F
In your wedding bed
Everybody knows
```

(back to riff)
Officer, please, I just got there
Traveled from door to door
Haven't you seen my girlfriends hair
What are we looking for

Chorus

(no guitar here)
 This is the kitt I can't compare
 A delicate new arrival
 Check the commute I do declare
 I think we have our bible

Chorus

```

      A
Take me to the shore
      C#7
Show me what it's for
      D
Is there always red
      F
In your wedding bed
      A
Everybody knows
      C#7
That life is full of cons and pros

Girl, your father is dead
      A
Everybody knows
