Strat_Monkey: Er... I think for the solo you could've pretty much written down the first bit (which is played by one guitar) and then written the subsequent bits (which are played by a second guitar) and just said to play the 1st bit all the way thru the solo on one guitar, and then the other bits on another one. Um. Sorry, I hope that makes sense.

meddavisn: Great tab! the off beat 'twangs' in the last verse are 7 on G string (minor 3rd) me thinks...

andressuarezp: This is perfect. Thanks!!!
