Subbaman: Great tab... doesn't require a pick though, just lots of endurance!

tmatsamas: you've gotta be kidding me. I don't mean to be a dick, but this is in a completely different key than the actual song. Absolutely everything is wrong except for the ending.

tmatsamas: I'm sorry disregard the last comment i was reading it wrong it is in the right key, but that's still not how he plays it
