BassPlayer18269: hey i made a mistake in the verse part 2 at the end of the measure he does the same thing as in verse part 1 at the end of the measure... i changed it right before i submitted it and i forgot to change that part... my bad... any question s just let me know

Uncommonresults: This tab frickin rules! I was watching an old SNL and they were playing this song, so I decided I had to learn it. And I was looking at them so I chose the first possible one. This one pretty much perfect. Great job! I don't play with fingers so it's harder to get around the frets fast enough...

betterwithbass: this sounds closer to the solo me thinks :)
