

[Intro]

[ch]Cm[/ch] [ch]D[/ch] [ch]Eb[/ch] (x2)

[Verse 1]

[ch]Cm[/ch] [ch]Eb[/ch]  
Please don't ask me who,  
[ch]Cm[/ch] [ch]Eb[/ch]  
Who you think I am  
[ch]Cm[/ch] [ch]Eb[/ch]  
I could live without that  
[ch]Cm[/ch] [ch]Eb[/ch]  
I'm just a modest man

[Chorus]

[ch]Ab[/ch] [ch]Eb[/ch] [ch]Gm[/ch]  
Meet at the corner and tell  
Tell me what to do  
[ch]Cm[/ch]  
'Cause I messed up on you  
and had I known  
[ch]Eb[/ch]  
All that I do now  
I'm guessing we're through now  
[ch]Ab[/ch] [ch]Eb[/ch]  
receding into the forest I will  
[ch]Gm[/ch]  
Lay around in wait  
[ch]Cm[/ch]  
And I wait for you.

[Verse 2]

[ch]Cm[/ch] [ch]Eb[/ch]  
Please don't ask me where  
[ch]Cm[/ch] [ch]Eb[/ch]  
Where you think I been  
[ch]Cm[/ch] [ch]Eb[/ch]  
I've been a lot of places  
[ch]Ab[/ch] [ch]Gm[/ch] [ch]Cm[/ch]  
But this could be my win

[Chorus]

[ch]Ab[/ch] [ch]Eb[/ch] [ch]Gm[/ch]  
Meet at the corner and tell  
Tell me what to do  
[ch]Cm[/ch]  
'Cause I messed up on you  
and had I known  
[ch]Eb[/ch]  
All that I do now  
I'm guessing we're through now  
[ch]Ab[/ch] [ch]Eb[/ch]  
receding into the forest I will  
[ch]Gm[/ch]  
Lay around in wait  
[ch]Cm[/ch]  
And I wait for you.

[Bridge]

[ch]Em[/ch] [ch]D[/ch] [ch]G[/ch]  
I feel so bad  
[ch]D[/ch] [ch]C[/ch]  
I thought you wanna know  
[ch]Em[/ch] [ch]D[/ch] [ch]G[/ch]  
I feel so bad  
[ch]D[/ch] [ch]C[/ch]  
I thought you wanna know  
[ch]Am[/ch]  
Something I want to show  
[ch]Cm[/ch] [ch]Eb[/ch] [ch]Fm[/ch]  
I thought you ought to know

[Verse 3]

[ch]Cm[/ch] [ch]Eb[/ch]  
Please don't say you want  
[ch]Cm[/ch] [ch]Eb[/ch]  
To keep in touch out there  
[ch]Cm[/ch] [ch]Eb[/ch]  
To see you on the corner  
[ch]Ab[/ch] [ch]Gm[/ch] [ch]Cm[/ch]  
Well that I just can't bear

[Chorus]

[ch]Ab[/ch] [ch]Eb[/ch] [ch]Gm[/ch]  
Meet at the corner and tell  
Tell me what to do  
[ch]Cm[/ch]  
'Cause I messed up on you  
and had I known  
[ch]Eb[/ch]  
All that I do now

I'm guessing we're through now  
[ch]Ab[/ch] [ch]Eb[/ch]  
receding into the forest I will  
[ch]Gm[/ch]  
Lay around in wait

[Bridge]

[ch]Eb[/ch] [ch]Bb[/ch]  
Hey and I turn  
[ch]Db[/ch] [ch]Ab[/ch]  
I turned my head and I thought  
[ch]Eb[/ch]  
I saw a sign  
[ch]Bb[/ch]  
From the gods  
[ch]Db[/ch]  
A sign from the gods  
[ch]Ab[/ch] [ch]Eb[/ch]  
That you weren't meant to be mine  
[ch]Bb[/ch]  
And it's fine  
[ch]Db[/ch] [ch]Ab[/ch]  
Takin' it all for a ride  
[ch]Eb[/ch] [ch]Bb[/ch]  
Until the day when it's gone  
[ch]Db[/ch] [ch]Ab[/ch]  
Mystified by where  
[ch]Eb[/ch]  
It all went wrong  
[ch]Bb[/ch]  
When it's gone

[Outro]

[ch]Db[/ch]  
I live and I learn  
[ch]Ab[/ch]  
And I lose and I win  
[ch]Eb[/ch]  
But it's better than ever  
[ch]Bb[/ch]  
Whenever I'm in  
[ch]Db[/ch]  
I thank you girl  
[ch]Ab[/ch] [ch]Eb[/ch]  
For everywhere that we've been

LAST 3 COMMENTS

pqrqcf: It's easier to play this with a capo on 3, then transpose the song down three steps. I'm also fairly positive the A chords noted should be G# chords.

Still, good tab. Just a quick glance at it and I got the song.

elricardo: Ab is a G# bro

chris\_is\_here: You have some G#'s in there that should be noted as Ab, but that might be an UG problem.

Sounds good to me.
