Quixoticelixer - Red Hot Chili Peppers  
-----

Tabbed by: Michael Medvedev  
E-mail: mmedvedev20@gmail.com

Tuning: Standard

Hey guys, I'm Michael and this is my first tab, I tabbed this by ear and it was relatively difficult to considering it was very quiet. John works some of his famous descending licks in this solo. Thanks!  
Any question or comment feel free to email me, I'D be more than happy to make changes thanks!
