[Verse]
 (you can play the second part of the intro in the verse and when the Fm comes just insert it in there)

Cm
 Coming out to the light of day
 Ab
 We got many moons than a deeper place
 Cm
 So I keep an eye on the shadows smile
 Ab
 To see what it has to say
 Fm
 You and I both know
 Ab Cm
 Everything must go away
 Cm
 Oh what do you say?
 Cm
 Spinning off, head is on my heart
 Ab
 It's like a bit of light and a touch of dark
 Cm
 You got sneak attacked from the zodiac
 Ab
 But I see your eyes spark
 Fm
 Keep the breeze and go
 Ab Cm
 Blow by blow and go away
 Cm
 Oh what do you say?

[Chorus]
 (like the first part of the intro)
 Ab
 You don't know my mind
 Fm
 You don't know my kind
 Cm Bb
 Dark necessities are part of my design
 Ab Fm
 Tell the world that I'm falling from the sky
 Cm Bb
 Dark necessities are part of my design

[Verse]
 Cm
 Stumble down to the parking lot
 Ab
 You got no time for the afterthought
 Cm
 They're like ice cream for an astronaut
 Ab
 Well that's me looking for weed
 Fm
 Turn the corner and
 Ab Cm
 Find the world and show command
 Cm
 Playing the hand

[Chorus]
 Ab
 You don't know my mind
 Fm
 You don't know my kind
 Cm Bb
 Dark necessities are part of my design
 Ab Fm
 Tell the world that I'm falling from the sky
 Cm Bb
 Dark necessities are part of my design

[C-part]
 Cm - Bbm - Fm - Abmaj7

Cm

Do you want this love of mine?
 Bbm
 The darkness helps to sort the shine
 Fm Abmaj7
 Do you want it, do you want it now?
 Cm
 Do you want it overtime?
 Bbm
 The darkness helps to sort the shine
 Fm Abmaj7
 Do you want it, do you want it now?

[Verse]
 Cm
 Pick you up like a paperback
 Ab
 With the track record of a maniac
 Cm
 So I'm moving in and we unpack
 Cm
 It's the same as yesterday
 Fm
 Honey where we roll
 Ab Cm
 Everything must go away
 Cm
 Oh what do you say?

[Chorus]
 Ab
 You don't know my mind
 Fm
 You don't know my kind
 Cm Bb
 Dark necessities are part of my design
 Ab Fm
 Tell the world that I'm falling from the sky
 Cm Bb
 Dark necessities are part of my design

shahisking_cool: Would suggest tuning half step down and playing chords C#m, A, Em and B

thejako: why? no need for it. how come?

thejako: C-Part goes Eb, Db, Fm, Ab ;)
