limbodean43: nice tab man, it's a great song as u said, especially the part in the end is good.
 really nice, keep it up!

ionooobmaster: is it just me or the guitar part seems easy-er than the bass?

ciho482: The RHCP Bass is always tricky. Like, always. Even if the song sounds simple, it's just a whole mess of funkyness. That's why we love Flea :)
