

[Intro]

Em Bm

[Verse 1]

Em
Hustle, bustle and so much muscle awww
Bm
Cells about to seperate
And I find it hard to concentrate and

Em
Temporary this cash and carry
Bm
I'm stepping up to indicate
The time has come to deviate and

[Chorus]

C G D Em
All I want is for you to be happy and
C G D Em
Take this moment to make you my family and
C G D Em
Finally you have found something perfect and
C G D
Finally you have found

[Verse 2]

Em
Death defying this mess I'm buying
Bm
It's raining down with love and hate
And I find it hard to motivate and

Em
Estuary is blessed but scary your
Bm
Heart's about to palpitate
And I'm not about to hesitate and

C G D Em
One to treasure the rest of your days here and
C G D Em
Give you pleasure in so many ways dear and
C G D Em
Finally you have found something perfect and
C G D
Finally you have found... here we go

Chords during solo: Em Bm 2x

C G D Em
Do you want me to show up for duty and
C G D Em
Serve this woman and honor her beauty and
C G D Em
Finally you have found something perfect
C G D C
Finally you have found... yourself

[Bridge]

G D C G D
With me... Will you... agree... to take
C G D
This man... into your world...
C G D D D
And now... we are as one...

[Verse]

My lone ranger the heat exchanger
Is living in this figure eight
And I'll do my best to recreate and

[Verse]

Sweet precision and soft collision aww
Hearts about to palpitate
And I find it hard to seperate and

[Chorus]

C G D Em
All I want is for you to be happy and
C G D Em
Take this moment to make you my family and
C G D Em

Finally you have found something perfect and
C G D
Finally you have found

C G D Em
All I want is for you to be happy and
C G D Em
Take this moment to make you my family and
C G D Em
Finally you have found something perfect and
C G D
Finally you have found
