[Verse II]  
[ch]Am[/ch]  
It's the edge of the world  
[ch]F[/ch]  
And all of western civilization  
[ch]Am[/ch]  
The sun may rise in the East  
[ch]F[/ch]  
At least it settles in the final location  
[ch]C[/ch] [ch]G[/ch]  
It's understood that Hollywood

Or is that war your waging?

Marry me girl, be my fairy to the world  
[ch]F[/ch]  
Be my very own constellation  
[ch]Am[/ch]  
A teenage bride with a baby inside  
[ch]F[/ch]  
Getting high on information  
[ch]C[/ch] [ch]G[/ch]  
And buy me a star on the boulevard  
[ch]F[/ch] [ch]Dm[/ch]  
It's Californication

[ch]Am[/ch] [ch]F[/ch] [ch]Am[/ch] [ch]F[/ch]

[Verse IV]  
[ch]Am[/ch]  
Space may be the final frontier  
[ch]F[/ch]  
But it's made in a Hollywood basement  
[ch]Am[/ch]  
Cobain can you hear the spheres  
[ch]F[/ch]  
Singing songs off station to station?  
[ch]C[/ch] [ch]G[/ch]  
And Alderaan's not far away  
[ch]F[/ch] [ch]Dm[/ch]  
It's Californication  
[ch]Am[/ch] [ch]Fmaj7[/ch] [ch]Am[/ch] [ch]Fmaj7[/ch]

[Verse V]
[ch]Am[/ch]
Destruction leads to a very rough road
[ch]F[/ch]
But it also breeds creation
[ch]Am[/ch]
And earthquakes are to a girl's guitar
[ch]F[/ch]
They're just another good vibration
[ch]C[/ch]          [ch]G[/ch]
And tidal waves couldn't save the world
[ch]F[/ch]          [ch]Dm[/ch]
From Californication
