```
Crawf: shit tab
```

Rookie24: this is the best tab for this song... none of the other chorus parts make any sense, theyre all over the neck when you can just play the same exact notes on 4 frets... nice tab marcos

Rookie24: try this on the intro, instead of ringing the D ring on A

$$\begin{array}{c}
 \text{D} \\
 \begin{array}{cccccccc}
 + & + & + & + & + & + & + & +
 \end{array} \\
 \begin{array}{l}
 \text{G} \mid 6 \text{---} 6 \text{---} \text{---} \text{---} \mid \text{---} \text{---} \text{---} \text{---} \mid \mid \\
 \text{D} \mid \hat{\text{A}} \text{---} \text{---} 7 \text{---} \text{---} \mid \text{---} \text{---} \text{---} \text{---} \mid \mid \\
 \text{A} \mid \hat{\text{A}} \text{---} \text{---} 5 \text{---} 5 \text{---} 5 \text{---} \mid 5 \text{---} 5 \text{---} 5 \text{---} 5 \text{---} 5 \text{---} 5 \text{---} \hat{\text{A}} \mid \mid \\
 \text{E} \mid \text{---} \text{---} \text{---} \text{---} \mid \text{---} \text{---} \text{---} \text{---} \mid \mid
 \end{array}
 \end{array}$$
