

Can I get your hand to write on  
Just a piece of leg to bite on  
What a night to fly my kite on  
Do you want to flash a light on  
Take a look it's on display...for you  
Coming down, no not today

Did you meet your fortune teller  
Get it off with no propeller  
Do it up it's on with Stella  
What a way to finally smell her  
Pickin' up but not too strong...for you  
Take a piece and pass it on

Chorus:

Fly away on my zephyr  
I feel it more than ever  
And in this perfect weather  
We'll find a place together  
Fly on....my wind

Rebel and a liberator  
Find a way to be a skater  
Rev it up to levitate her  
Super friendly aviator  
Take a look it's on display  
For you....comin' down no not today

Chorus

In the water where I center my emotion  
All the world can pass me by  
Fly away on my zephyr  
We'll find a place together

Chorus

In the water where I center my emotion  
All the world can pass me by  
Fly away on my zephyr  
We'll find a place together
