Hey guys,  
 this is my first tab. I hope that you like it.

**G**  
 Smile  
                   **D**  
 When I'm shy in ways  
                   **Am**  
 But I love  
                   **C**                  **G**  
 Everything of first impressions  
**Csus**  
 Sweet succession

**Em7**  
 Been around for quite a while  
 I see you kept in versatile  
 Motivated to combine  
 Even when it's bad it's fine  
**Eb**  
 Did she say something

**G**  
 That made you cry  
                   **D**  
 Have you lost it all  
                   **Am**  
 The big fall  
**Csus**  
 Oh so slowly  
                   **D**  
 Comes back holy

**Em**                  **D**  
 Bishop takes a knight  
                   **Am**                  **G**  
 But I will put up quite a fight  
**C**                  **B7**                  **Em**  
 Here is your ham on rye  
**Em**                  **D**  
 Elementary the chemistry  
                   **Am**                  **G**  
 Means everything to me  
**C**                  **B7**                  **Em**  
 Long progression's why

**Em7**  
 Set it off to collect knowledge  
 Quit a job  
 And go to college  
 All about the aftershock  
 Swedish latin super funk

**Eb**  
 Moses of Manhattan  
                   **G**  
 Made it great  
                   **D**  
 Pain we celebrate  
                   **Am**  
 And I love  
                   **Csus**                  **D**  
 The long progression, indiscretion

**Em**                  **D**

Bishop takes a knight  
          **Am**                  **G**

In between the reasons  
          **Am**                  **G**  
Are the psychedelic seasons  
**C**          **B7**          **Em**  
Simple as your stride  
**Em**                  **D**  
Information intimated  
**Am**                  **G**  
Elegant and integrated  
**C**          **B7**          **Em**  
Sweet your corporate pride
