

Red Hot Chili Peppers Lyrics

"Mommy Where's Daddy"

Mommy, where's daddy?
Mommy, where's daddy?

Right here, girl...
Sweet thing, you look so sad
Cheer up, don't you know your dad is bad
Give daddy a kiss, girl
Oh, dad

There ain't no problem I can't face, 'cos
Your daddy's got a bigger bag of tricks
Give daddy a kiss, girl
Oh, dad

Mommy, where's daddy?
Mommy, where's daddy?

Come on, sit on your daddy's lap 'cos
I'm the one who pats your back
Give daddy a kiss, girl
Oh, dad

Lemme see now where to begin
Lemme start by tuckin' you in
Give daddy a kiss, girl
Oh, dad

Mommy, where's daddy?
