

Artist: Red Hot Chili Peppers  
Song: The Brothers Cup  
Album: Freaky Styley

the song is in Drop D tuning so if u decide not to play it in drop d, then make u play the E string notes in riff 2, two frets lower than what it says. and in riff 3, your will just be a little off. But personally, i would just play in drop d so u dont have to change anything.

davidev: For riff 3, if you want to play in standard, you could always play the higher D (5th fret on A)
