

Song: Animal Bar (solo)  
Artist: Red Hot Chili Peppers  
Albums: Stadium Arcadium (2006)

No one else had the solo tabbed yet so I decided to post it. This is guarenteed 100%  
I tried to show timing as best as I could but it's a lot easier to just listen to the song.

Tempo: Moderately - 148 (although the solo in particular has what is described as a  
feel")

Tuning: Standard

O-52-A-50-R: In the 6th bracket where you bend the 17th fret of the B string I think it should be the 18th fret instead. If I'm correct the right pitch would be the 19th fret and on my guitar when you bend the 17th fret it doesn't play high enough to reach the 19th fret. But maybe that's just my guitar.

mitchrushton182: looks good man. i love this song.

SaoSurvive: I'm impressed.. i came here thinking every tab would bomb this solo
