

[Intro]

Am  
Am Em G

[Verse 1]

Am  
That's right you're right  
Em G  
We will do our thing tonight alright  
Take me through the future  
Am  
It's time you're fine  
Em G  
Just another color coded crime  
Incision and a suture  
Am  
You told my friend  
Em G  
We would get it on no matter when  
A supercavitation  
Am  
Let's go you show  
Em G  
Me something no one will ever know  
A love hallucination

[Chorus]

F  
Another lonely superstar  
Em  
To get away inside your car  
Dm  
Take it much too far  
F  
Surrender to the brave inside  
Em  
A lover that another tried  
Dm  
Take it, too my ride  
  
F Em Dm  
You don't have to keep it if it's mine  
(Another lonely superstar to getaway inside your car)  
F Em Dm  
Another place maybe another time  
(Surrender to the brave inside a lover that another tried)

[Verse 2]

Am  
Complete repeat  
Em G  
Sitting in your car and on your street  
Lost in California  
Am  
Let's steal this wheel  
Em G  
Take a spin to find out how we feel  
Just around the corner  
Am  
Slow down for sound  
Em G  
Turn it up and no we can't be found  
The body that we transcend  
Am  
Asleep, you weep  
Em G  
Find out that the trick is never cheap  
A melancholy girlfriend

[Chorus]

F  
Another lonely superstar  
Em  
To get away inside your car  
Dm  
Take it much too far  
F  
Surrender to the brave inside  
Em  
A lover that another tried  
Dm  
Take it, too my ride  
  
F Em Dm  
You don't have to keep it if it's mine  
(Another lonely superstar to getaway inside your car)  
F Em Dm  
Another place maybe another time  
(Surrender to the brave inside a lover that another tried)

Just another color coded crime  
The song is fascination

Arrivals that we wish would not depart
