[Intro]

**Am**  
**Am Em G**

[Verse 1]

**Am**  
 That's right you're right  
**Em** **G**  
 We will do our thing tonight alright  
 Take me through the future  
**Am**  
 It's time you're fine  
**Em** **G**  
 Just another color coded crime  
 Incision and a suture  
**Am**  
 You told my friend  
**Em** **G**  
 We would get it on no matter when  
 A supercavitation  
**Am**  
 Let's go you show  
**Em** **G**  
 Me something no one will ever know  
 A love hallucination

[Chorus]

**F**  
 Another lonely superstar  
**Em**  
 To get away inside your car  
**Dm**  
 Take it much too far  
**F**  
 Surrender to the brave inside  
**Em**  
 A lover that another tried  
**Dm**  
 Take it, too my ride  
  
**F** **Em** **Dm**  
 You don't have to keep it if it's mine  
 (Another lonely superstar to getaway inside your car)  
**F** **Em** **Dm**  
 Another place maybe another time  
 (Surrender to the brave inside a lover that another tried)

[Verse 2]

**Am**  
 Complete repeat  
**Em** **G**  
 Sitting in your car and on your street  
 Lost in California  
**Am**  
 Let's steal this wheel  
**Em** **G**  
 Take a spin to find out how we feel  
 Just around the corner  
**Am**  
 Slow down for sound  
**Em** **G**  
 Turn it up and no we can't be found  
 The body that we transcend  
**Am**  
 Asleep, you weep  
**Em** **G**  
 Find out that the trick is never cheap  
 A melancholy girlfriend

[Chorus]

**F**  
Another lonely superstar  
**Em**  
To get away inside your car  
**Dm**  
Take it much too far  
**F**  
Surrender to the brave inside  
**Em**  
A lover that another tried  
**Dm**  
Take it, too my ride

**F** **Em** **Dm**  
You don't have to keep it if it's mine  
(Another lonely superstar to getaway inside your car)  
**F** **Em** **Dm**  
Another place maybe another time  
(Surrender to the brave inside a lover that another tried)

[Bridge]

**Am C**  
**Am Em G**

[Verse 3]

**Am**  
That's right you're right  
**Em** **G**  
We will do our thing tonight alright  
Drive the constellation  
**Am**  
It's time you're fine  
**Em** **G**  
Just another color coded crime  
The song is fascination

[Chorus]

**F**  
Another lonely superstar  
**Em**  
To get away inside your car  
**Dm**  
Take it much too far  
**F**  
Surrender to the brave inside  
**Em**  
A lover that another tried  
**Dm**  
Take it, too my ride

**F** **Em** **Dm**  
A May December might not be so smart  
(Another lonely superstar to getaway inside your car)  
**F** **Em** **Dm**  
Arrivals that we wish would not depart  
(Surrender to the brave inside a lover that another tried)

[Outro]

**A#** **C** **Dm**  
Don't be late cause you're my savior  
**A#** **C** **Dm** **F**  
Make it great whatever stays  
**A#** **C** **Dm**  
Golden gate my rearranger  
**A#** **C** **Dm**  
Hold my name inside your rays
