METSOAD: this looks right to me

Flea Fly: This is your best work EVER on an individual song- it's hard to say that, though, as you tabbed Stadium Arcadium out note for note... but for you to tab this entire 6:06 monster is amazing. Kudos.

LD1992: Great tab, know what u mean by it being hard to tab, tried tabbing alot of Flea's stuff. BTW his real name is Michael Balzary- Probs the best bassist!!
