frusciante\_50: Nice job, the version they recorded is even better than the live version.  
Ramone's lyrics aren't the greatest on this song though!

Frusciante19: Good tab! actually I personally like the live version better. but i agree that the lyrics are quite poor :D

xDeathRollx: Great tab! Just one correction: several times in the tab (after each chorus) you have the F# chord being picked as 2334XX as opposed to 2443XX, which it should be. Looks like just a typo. Again, nice tab.
