

Main intro:

Detailed plucking for a lot of it, follow the rhythms of the song for the end on the first line.

```
E---0h2p0-----|
B-----1--3--1-0----0h1-0--1--0-----|
G-----2-----2-0-----~-----|
D---0-----0-----|
A-----3~-----0~-----3-----2-2-2-2-2-2-----|
E-----3-3-3-3-3-3-----|
```

```
E---0h2p0-----|
B-----1--3--1-0----0h1-0--1--0-----|
G-----2-----2-0-2---4-----0--0-----|
D---0-----|
A-----3~-----0~-----3-----|
E-----3-----3-3-----|
```

The main chords for the song are Just G, C and Em. There's another electric part but i haven't figured that one out yet. This riff is repeated through a lot of the verses.

Muntificator: Spot on man. If you use this tab and then just remember the chorus is G, C, Em, Em then it?s enough to play the whole song =)
