I'm a meth lab, first rehab

[ch]C[/ch] [ch]G[/ch]

Take it all off and step inside the running cab
[ch]Am[/ch] [ch]F[/ch]
                                      [ch]C[/ch] [ch]G[/ch]
  There's a love that knows the way
[ch]Am[/ch]
                          [ch]F[/ch]

  Now we know it all for sure.
[ch]Am[/ch]
                          [ch]F[/ch]
Make the hair stand up on your arm [ch]C[/ch] [ch]G[/ch]
   Teach you how to dance inside the funny farm
                       cance inside the runny raim
[ch]Am[/ch] [ch]F[/ch] [ch]C[/ch] [ch]G[/ch]

kevsis: this is the bass tab. if u watch them live its flea that plays this. the guitar is sumin like this for the verse
e-5-7-5-7-5-7-5-7-5-7-5-7-5-7-5-7-
all hammer ons
   tp tp tp tp
e-10-8-5-10-8-5-10-8-5-10-8-5
```

t = tap and p = pull offobviouls ythis is not the correct number of times u do this but you get the idea. thanks for the tab tho

kevsis: sorry in the correction i just made, the tapping bit u tap the 12th fret not the 10th

```
b -----10p5p3--10p5p3-g
```

hope that's come out ok, but u get the idea. then a bit further on it's  $% \left( \frac{1}{2}\right) =\frac{1}{2}\left( \frac{1}{2}\right) =\frac{1$ 

```
t p p t p p e | -12p7p5--12p8p5-
```

obviously that's not all the correct amount of times he taps, it's just giving u the idea of what he does.

but anyway, it sounds like u have the bass right! should've mayb put that u strum the chord once then mute the strings 4 times or something to show the pattern for people
