BassFaceBass: its kinda strange to put it in BADG is it? it still sounds great anyway when you tune it down!

iluvanimeXD: i'm sure he plays in on a 5 string, but if he doesn't that i'm stupid. =/ cuz if you tune the E to a B then the string

would be all wobbly and loose.

just one more thing

add the E so no one gets confused. great tab though.

betterwithbass: yeah he does play it on a 5 string but i tried to adapt it best i could for a 4 string. on my bass the string i s not too wobbly but i dunno
