After the second time just slide down to about 10.

E -3-6-5---3-6-5---/----

?	x2	x2
G		
D		
Α		
E	355-5-5-5-5-5	577-7-7-7-7-

This is played after the second verse.

This is played just after the previous riffs, with the same rhythm as the chorus.. (almost).

And that's all, y'all!

sonsie: hey its a nice tab bt i think the verse is all wrong it shoud be like this:
(im not that good at writing tabs)
<nobr>G-------/nobr>
<nobr>A--0h3-2-----/nobr>
<nobr>A--0h3-2-----/nobr></nobr>E-------/nobr>

thats hw i play it nd it sounds rite

besides tat its a great tab 4*
