A|-3--x-x-----x-x-x--------------|---------------------------x--1-|
E|-------------------------x--3-|-4--x-x-----x-x-x--------------|
```

[Verse]
(you can play the second part of the intro in the verse and when the Fm comes just insert it in there)
[ch]Cm[/ch]
Coming out to the light of day
        [ch]Ab[/ch]
We got many moons than a deeper place
     [ch]Cm[/ch]
So I keep an eye on the shadows smile
    [ch]Ab[/ch]
To see what it has to say
[ch]Fm[/ch]
You and I both know
[ch]Ab[/ch]   [ch]Cm[/ch]
Everything must go away
                  [ch]Cm[/ch]
Oh what do you say?
[ch]Cm[/ch]
Spinning off, head is on my heart
          [ch]Ab[/ch]
It's like a bit of light and a touch of dark
        [ch]Cm[/ch]
You got sneak attacked from the zodiac
      [ch]Ab[/ch]
But I see your eyes spark
[ch]Fm[/ch]
Keep the breeze and go
[ch]Ab[/ch]   [ch]Cm[/ch]
Blow by blow and go away
                  [ch]Cm[/ch]
Oh what do you say?

[Chorus]
(like the first part of the intro)
[ch]Ab[/ch]
You don't know my mind
[ch]Fm[/ch]
You don't know my kind
[ch]Cm[/ch]   [ch]Bb[/ch]
Dark necessities are part of my design
[ch]Ab[/ch]   [ch]Fm[/ch]
Tell the world that I'm falling from the sky
[ch]Cm[/ch]   [ch]Bb[/ch]
Dark necessities are part of my design

[Verse]
[ch]Cm[/ch]
Stumble down to the parking lot
        [ch]Ab[/ch]
You got no time for the afterthought
               [ch]Cm[/ch]
They're like ice cream for an astronaut
            [ch]Ab[/ch]
Well that's me looking for weed
[ch]Fm[/ch]
Turn the corner and
[ch]Ab[/ch]   [ch]Cm[/ch]
Find the world and show command
            [ch]Cm[/ch]
Playing the hand

[Chorus]
[ch]Ab[/ch]
You don't know my mind
[ch]Fm[/ch]
You don't know my kind
[ch]Cm[/ch]   [ch]Bb[/ch]
Dark necessities are part of my design
[ch]Ab[/ch]   [ch]Fm[/ch]
Tell the world that I'm falling from the sky
[ch]Cm[/ch]   [ch]Bb[/ch]
Dark necessities are part of my design

[C-part]
[ch]Cm[/ch] - [ch]Bbm[/ch] - [ch]Fm[/ch] - [ch]Abmaj7[/ch]

[ch]Cm[/ch]

```
Do you want this love of mine?
    [ch]Bbm[/ch]
The darkness helps to sort the shine
[ch]Fm[/ch]                            [ch]Abmaj7[/ch]
Do you want it, do you want it now?
[ch]Cm[/ch]
Do you want it overtime?
    [ch]Bbm[/ch]
The darkness helps to sort the shine
[ch]Fm[/ch]                            [ch]Abmaj7[/ch]
Do you want it, do you want it now?

[Verse]
[ch]Cm[/ch]
Pick you up like a paperback
        [ch]Ab[/ch]
With the track record of a maniac
      [ch]Cm[/ch]
So I'm moving in and we unpack
        [ch]Cm[/ch]
It's the same as yesterday
[ch]Fm[/ch]
Honey where we roll
[ch]Ab[/ch]                   [ch]Cm[/ch]
Everything must go away
               [ch]Cm[/ch]
Oh what do you say?

[Chorus]
[ch]Ab[/ch]
You don't know my mind
[ch]Fm[/ch]
You don't know my kind
[ch]Cm[/ch]               [ch]Bb[/ch]
Dark necessities are part of my design
[ch]Ab[/ch]                      [ch]Fm[/ch]
Tell the world that I'm falling from the sky
[ch]Cm[/ch]               [ch]Bb[/ch]
Dark necessities are part of my design

[Outro]
e|-11-11-10-10-8-8----------------------------|-----------------------------------------|
B|-----------------11-11----------------------|-----------------------------------------|

shahisking_cool: Would suggest tuning half step down and playing chords C#m, A, Em and B

thejako: why? no need for it. how come?

thejako: C-Part goes Eb, Db, Fm, Ab ;)
```
