E|-2-|---|---|-0-|
```

[Verse 2]

(with verse guitar riff)

Here either use a second guitar, or just play it on the same one. The studio

version has two guitars 'cause they're different effects.

```
e|-2------------------------0---|---------------------------------|
B|------------------------------|-2-------------------------------|
G|------------------------------|---------------------------------|
D|------------------------------|---------------------------------|
A|------------------------------|---------------------------------|
E|------------------------------|---------------------------------|
